

MPUS GENERAL PACKAGING
Master Carton ID and Packing Slip Data

MANN+HUMMEL
Purolator Filters LLC
3200 Natal St
Fayetteville, NC 28306

Effective immediately, please ensure that your operations and distribution centers are in compliance with the following requirements:

- **Master Carton Identification** (Bulk packaged product for repacking by MPUS)
 - The MPUS “part number” *as it appears on the Purchase Order*
 - The number of units in the master carton
 - The MPUS Purchase Order number(s)
 - Country of Origin (COO)
 - The master carton must itemize by Purchase Order number the corresponding MPUS “part number” and the number of units shipped. (See Example)

Purchase Order Number	MPUS Part Number	Number of Units Shipped
45XXXXXXXXX	U6945432	2500
	U6936543	4000
45XXXXXXXXX	U6945432	1000
	U6953210	1800

Note: In this example, a total of 3500 units of the U6945432 were shipped. The units were shipped against two different Purchase Order numbers and must be itemized by Purchase Order number as shown.

- **Packing Slips**

The information printed on the packing slips must be clearly legible and include the following information:

 - The MPUS “part number” *as it appears on the Purchase Order*
 - The number of units shipped
 - The MPUS Purchase Order number(s)
 - The packing slip must itemize by Purchase Order number the corresponding MPUS “part number” and the number of units shipped. (See Example)
